LLC Lifetime Warranty – Fabricated Fire Vehicle Tanks

APR Plastic Fabricating, Inc., hereinafter referred to as **Seller**, warrants that these goods manufactured and sold by **Seller** will be free from defects in material and workmanship for a period of time equal to the service life of the original vehicle in which they were installed (**one year maximum outside North America**). For this warranty to have full effect, the vehicle must be in active service (for its designed purpose) at the time any defect is discovered.

This warranty is transferable (subject to the approval of the **Seller**) within North America by written notification of **Seller** within thirty (30) days of vehicle transfer date.

Seller's obligation under this warranty is solely limited to repairing or replacing, at **Seller's** option, F.O.B. manufacturing plant, any part of the goods found to be defective within the warranty period. Reasonable costs to remove and reinstall defective product incurred by vehicle manufacturer, or its specific assigns, will be payable by **Seller**. **Costs for travel outside North America will not be covered under this warranty.**

This warranty is conditioned upon receipt by **Seller** of prompt notice of the claimed defect, including a description of the defect and of its discovery, substantiating photographs, and an opportunity made for **Seller** (or its assigned agents) to inspect the goods in the buyer's or end user's facility. Notification must be made in writing or by calling Toll Free 1-800-352-8265. **Seller** will dispatch a repair technician within **48** hours of notification in the event the vehicle has been rendered out-of-service (**Response time only valid in North America**). **Seller** will send a repair technician to arrive at a mutually satisfactory time if the vehicle is still in service. Product must be identifiable by serial number for this warranty to be effective.

This warranty does not apply to goods damaged by misuse, neglect, accident, or physical damage to goods that have been improperly applied. This warranty does not apply to the costs of installation, reinstallation, normal operation, or normal maintenance of any warranted goods.

Installation or modification (subsequent to initial sale) performed by **Seller** will be covered under separate warranty.

Any alteration of warranted goods by persons other than **Seller**, or its specific assigns, will void warranty.

Seller makes no additional warranties, either express or implied, as to any of the goods sold and in particular Seller makes no other warranties of merchantability or fitness for any particular purpose.

In no event shall **Seller** be liable for failure of the goods to comply with any federal, state or local laws or for incidental or consequential damages including loss of profits, or any other type of damage which may be caused in whole or in part by any failure, defect or other problem of the goods sold by seller.

The above is intended to apply to product described in **Seller's** quote or purchase agreement number.
